ABOUT RESCARE'26

We are delighted to announce the 19th National Conference of the Indian Association of Respiratory Care (IARC), RESCARE'26, to be held in the vibrant coastal city of Mangaluru, Karnataka—renowned for its rich cultural heritage, pristine beaches, and excellence in healthcare and higher education. The Organizing Committee extends a warm invitation to respiratory therapists, healthcare professionals, educators, researchers, academicians, and students from India and across the globe to join us for this prestigious scientific gathering.

Scheduled from 2nd to 4th October 2026 at the picturesque campus of Yenepoya (Deemed to be University), Deralakatte, Mangaluru, RESCARE'26 promises to be an inspiring platform that celebrates innovation, collaboration, and excellence in respiratory care. This year's conference is particularly special as it coincides with the 10th Anniversary of the Respiratory Therapy Programme at Yenepoya, marking a decade of academic excellence, clinical expertise, research, and professional development.

As one of the largest national conferences dedicated to respiratory care, RESCARE'26 offers an exceptional blend of scientific learning, hands-on training, and professional networking. Delegates will have the opportunity to gain insights from eminent national and international experts through keynote lectures, scientific sessions, panel discussions, and interactive forums. The conference also features specialized pre-conference workshops, simulation-based training, research methodology sessions, faculty development programs, and industry exhibitions showcasing the latest advancements in respiratory and critical care technologies. Scientific paper and poster presentations, quizzes, debates, and cultural events will further enrich the conference experience.

RESCARE'26 is more than a conference—it is a platform to exchange ideas, foster collaborations, inspire innovation, and shape the future of respiratory and critical care practice. Whether you are a clinician, educator, researcher, student, or industry partner, this conference offers an unparalleled opportunity to expand your knowledge, build lasting professional relationships, and contribute to the advancement of respiratory healthcare.

We cordially invite you to join us at Yenepoya (Deemed to be University), Mangaluru, this October as we celebrate a decade of excellence in Respiratory Therapy education and create new milestones together at RESCARE'26. We look forward to welcoming you to Namma Tulunadu for an unforgettable scientific and cultural experience.

ABOUT UNIT OF RESPIRATORY THERAPY

The Unit of Respiratory Therapy at Yenepoya School of Allied Health Sciences (YSAHS), established in 2016, proudly marks a decade of excellence in respiratory care education and clinical practice as it celebrates the 10th year of the Respiratory Therapy programme at Yenepoya (Deemed to be University). The unit offers B.Sc. Programme (2016) and M.Sc. Programme (2023), aimed at preparing competent and compassionate healthcare professionals in the field of respiratory care. The programmes are designed with a competency-based curriculum that integrates strong theoretical knowledge with extensive clinical training in specialized areas such as critical care, neonatology, pulmonary rehabilitation, emergency care, and sleep medicine. Equipped with advanced simulation labs and state-of-the-art clinical training facilities, students gain hands-on experience in managing respiratory and cardiopulmonary conditions under the guidance of experienced faculty and healthcare professionals. The Unit of Respiratory Therapy emphasizes clinical competence, patient safety, ethical practice, effective communication, critical thinking, and research-oriented learning to develop skilled respiratory therapists capable of delivering high-quality patient care.

We are proud to present RESCARE'26, a platform for professionals, educators, students, clinicians, researchers and industry experts to share knowledge, innovations, and best practices in respiratory care. We look forward to welcoming you to the beautiful campus of Yenepoya (Deemed to be University), this October and making RESCARE'26 a truly memorable experience.

FROM THE PRESIDENT'S DESK

It gives me immense pleasure, as President of the Indian Association of Respiratory Care (IARC), to welcome you to RESCARE'26, the 19th National Conference of IARC, being held from 2nd–4th October 2026 at Yenepoya (Deemed to be University), Mangaluru.

The theme, "Transforming Respiratory Care: Education, Innovation & Clinical Excellence in Action," reflects our commitment to advancing respiratory care through education, evidence-based practice, innovation, research, and collaboration.

RESCARE'26 provides an engaging platform through scientific sessions, hands-on workshops, simulation training, research presentations, panel discussions, and professional networking.

This conference also marks the 10th anniversary of the Respiratory Therapy Programme at Yenepoya, celebrating a decade of excellence in education, clinical practice, research, and professional development.

I extend my best wishes to the organising committee and warmly invite all respiratory care professionals, clinicians, academicians, researchers, students, and industry partners to make RESCARE'26 a meaningful gathering.

DR. HARISH MALLAPURA MAHESHWARAPPA
PRESIDENT, IARC

GENERAL SECRETARY

It gives me immense pleasure to welcome you to RESCARE 2026, the 19th National Conference of the Indian Association of Respiratory Care (IARC), hosted by the Department of Respiratory Therapy, Yenepoya University, Mangalore.

IARC continues to bring together respiratory healthcare professionals from diverse disciplines, providing a platform to learn, share experiences, and strengthen collaborative approaches to patient care.

This conference is an opportunity to explore recent advances in respiratory care, engage in meaningful scientific discussions, and translate knowledge into better clinical practice.

I sincerely appreciate the efforts of the organising team, faculty, delegates, and all those who have contributed to making this conference possible.

I warmly welcome you all to Mangalore and Yenepoya University. Let us make this conference more than a scientific gathering—let us learn from one another, share our experiences, build meaningful collaborations, and return to our workplaces inspired to make a difference in respiratory care.

I look forward to your active participation and to making RESCARE 2026 a memorable and meaningful experience for everyone.

DR. SAAMY JOHNSON, PHD, RPSGT
GENERAL SECRETARY
INDIAN ASSOCIATION OF RESPIRATORY CARE (IARC)

ORGANIZING CHAIR

It gives me immense pleasure to extend my warm greetings and best wishes for RESCARE 2026, the 19th National Conference, themed "Transforming Respiratory Care: Education, Innovation and Clinical Excellence in Action."

The theme reflects the evolving landscape of respiratory healthcare, where education, innovation, evidence-based practice and clinical excellence play vital roles in improving patient-centred care.

RESCARE 2026 provides a valuable platform for academicians, clinicians, researchers, healthcare professionals and students to exchange knowledge, explore emerging developments and foster meaningful collaborations in respiratory care.

The collaboration with IARC adds significant value to this national academic platform, bringing together diverse expertise, perspectives and experiences in respiratory care. Such collaborations are essential for strengthening academic-clinical partnerships, fostering professional development, promoting research and creating opportunities for knowledge exchange.

I wish RESCARE 2026 great success and hope that this conference serves as a catalyst for advancing respiratory care and shaping the future of the profession.

DR. SUNITA SALDANHA
DEAN, YAHP
ORGANIZING CHAIR

DAY 1

PRE-CONFERENCE WORKSHOP (Date: 2nd October 2026 Time: 09:00 am to 12:00 pm)

REGISTRATION (08:00 am to 08:45 am)

Workshop	Pre- Conference Workshop Parallel Sessions	Time	Speaker	Venue
STATION 1	Tailored Ventilation in Critical Care – Advanced Mechanical Ventilation Techniques & Clinical Decision-Making	9:00 am to 12:00 pm	Hamilton Team, Nihon Kohden Team	YMC Lecture Hall
STATION 2	Mastering OSCE: A 360° Approach to Competency-Based Clinical Assessment	9:00 am to 12:00 pm	Dr. Vinayak B Nayak & Ebek Med OSCE Team	EMD Auditorium
STATION 3	From Ideas to Evidence – Hands-On Research Methodology & Scientific Writing Workshop	9:00 am to 12:00 pm	Dr. MadhuraGauri & Dr. Mamatha Kunder	YMC Lecture Hall
STATION 4	Point-of-Care Lung Ultrasound in Respiratory Care – Image Acquisition, Interpretation & Clinical Application	9:00 am to 12:00 pm	Dr. Aejaz Ahmed & Ms. Daphne Peter & Philips USG team	ACTS YEN
STATION 5	Anatomage & Integrated Respiratory Examination – Bridging Virtual Anatomy with Physical Assessment Skills	9:00 am to 12:00 pm	Ms. Meghana Sanil & Dr. Arjun Venugopal	ACTS YEN
STATION 6	Sleep Diagnostics & Troubleshooting – Hands-On Sleep Study Monitoring and Equipment Management	9:00 am to 12:00 pm	Mr. Rafeek & Mr. Selvakumar	YMC Lecture Hall
STATION 7	Emergency Airway Rescue Techniques – Cricothyroidotomy and Difficult Airway Management	9:00 am to 12:00 pm	Mr. Abhishek S & Mr. Gautham Nayak	ACTS YEN
STATION 8	Neonatal & Pediatric Mechanical Ventilation in Practice – Neonatal & Pediatric Ventilation Strategies and Monitoring	9:00 am to 12:00 pm	Ms. Riya Asokan & Löwenstein Medical Team	ACTS YEN
STATION 9	The “Ventilator Management, Troubleshooting & Mystery” Framework – A Simulation-Based Approach	9:00 am to 12:00 pm	Mr. Sriharsha Tatineni, Mr. Jacob & Löwenstein Medical Team	YMC Lecture Hall

DAY 2

Main Conference Sessions (Date: 3rd October 2026 Time: 09:00 am to 04:00 pm)

REGISTRATION (08:00 am to 09:00 am)

Time	Topic	Speaker	Moderator
09:00 am to 09:30 am	Leading the Future: Empowering Respiratory Therapists as Clinicians, Educators & Healthcare Leaders - Online Session	Dr. Jithin K Sree	-
09:30 am to 10:00 am	Keynote Address - Reimagining Respiratory Care: The Convergence of AI, Precision Medicine & Clinical Innovation	Dr. Madhuragauri Shevade	-
10:00 am to 10:45 am	Inauguration	-	-
10:45 am to 11:05 am	Plenary Session by Chief Guest	-	-
11:05 am to 11:20 am	Tea Break	-	-
11:30 am to 12:00 pm	Pulmonary Function Testing in the Digital Era: From Oscillometry to Home Monitoring	Ms. Mangalaselvi	Dr. Rajesh V
12:00 pm to 12:25 pm	Redefining Respiratory Technology Education in India: Standardization, Competency & the Road Ahead	Dr. Saumy Johnson	Dr. Madhuragauri Shevade
12:25 pm to 12:40 pm	Automated Weaning with Ventilation	Mr. Thomas Kruger	Mr. Sriharsha Tatineni
12:45 pm to 01:15 pm	Look beyond the reflex cough : how to address unresolved dry cough	Dr. Vysakh U S	-
01:15 pm to 02:00 pm	Lunch Break	-	-
02:00 pm to 02:20 pm	Electrical Impedance Tomography	Mr. Matthew Tan	Mr. Sriharsha Tatineni
02:30 pm to 03:00 pm	Patient Safety, Quality Improvement, and Clinical Excellence in Critical Care	Ms. Girija Vijaykumar	Dr. Vyshak U S
03:00 pm to 03:30 pm	Digital Sleep Medicine: The Next Frontier in Diagnosis, Monitoring & PAP Therapy	Mr. Rafeek	Dr. Saumy Johnson
03:30 pm to 04:00 pm	ECMO Beyond Rescue: Evolving Indications, Innovations & Outcomes	Ms. Ummi Salma	Dr. Manjush Karthika

DAY 2

PARALLEL SESSIONS (Date: 3rd October 2026 Time: 12:00 pm to 05:00 pm)

Time

Parallel Session

12:00 – 01:00 PM

Preliminary Quiz Round

02:00 – 03:00 PM

E-Poster and Oral Presentation

03:00 – 05:00 PM

IARC General Body Meeting

Gala Night

6:00 to 10:00 pm

DAY 3

PARALLEL SESSIONS (Date: 4th October 2026 Time: 08:00 am to 12:00 pm)

REGISTRATION (08:00 am to 09:00 am)

Time

Session

09:00 am to 09:30 am

Beyond the ICU: Home Ventilation Strategies for Children with Chronic Respiratory Failure. **Speaker - Ms. Riya Asokan**

09:30 am to 10:15 am

Debate – **Ms. Garima Sharma & Ms. Rujuta Bagade**

10:15 am to 10:45 am

Pulmonary Rehabilitation: Turning Exercise into Better Breathing: **Speaker - Dr Muthukumar, Moderator - Mr. Louin Jose**

10:45 am to 11:00 am

Tea Break

11:00 am to 11:30 am

Transforming Mechanical Ventilation Through Advanced Monitoring and Intelligent Ventilation Technologies –
Speaker - Mr. Aakash Soni, Moderator - Mr. SriHarsha Tatineni

11:30 am to 12:00 pm

Panel Discussion “Emerging Trends in Respiratory Care: Innovation, Education, and Future Practice”- **Mr. Sriharsha Tattineni, Mr. Eldhos Jacob, Mr. Selvakumar, Ms. Saranya J**

12:00 pm to 12:30 pm

Final E-poster and Oral Presentation & Quiz Finals

12:30 pm to 1:00 pm

Valedictory Ceremony

01:00 pm to 2:00 pm

Lunch Break
